

Due to support being offered by Swedish seeding and cultivation company Vaderstad, the MIG Management Committee have chosen to visit Europe for their next 'MIG Trip'.

Our draft itinerary includes:

Depart Perth July 23, 2010

Sweden

- Vaderstad Factory tour
- Stockholm tour
- Ethanol tour

Ukraine

- Kiev
- Farm visits
- Local sites of interest

Hungary

- Weekend in Budapest
- Farm visits

UK

- Sandringham Estate
- Salle Farms Estate (Norfolk)
- Edinburgh Tattoo (pending ticket availability)

Return Options:

To Perth - August 9, 2010

Via France to meet with French visitors who came to MIG Dec 08/Jan 09

Unsurprisingly, this trip will not be cheap! We expect fixed costs e.g. flights, accommodation, bus hire, etc for the 17 days to cost **approximately** \$6,000. We will endeavour to keep costs to an absolute minimum.

Places are strictly limited (18 maximum from MIG) as Vaderstad/Cunningham's are taking clients as well. Places will be filled on a first in, first served basis, however if you have recently been on a MIG trip, others will be placed before you.

Only firm expressions of interest are now being sought. Offer closes February 11. Passport details and a deposit will be required directly.
